

MRS. JAMES C. MOUNTS
Recent bride . . .

Among the lovely spring brides was Margery Smith, daughter of Mr. and Mrs. C. F. Ellis, of 2310 229th street, who exchanged nuptial vows with James C. Mounts of El Segundo, in a cardlight ceremony performed in Normandy Wedding Chapel.

Given in marriage by her father, the bride was beautifully attired in a pink knit suit with navy accessories and she carried an orchid surrounded by pink carnations. Her only attendant was Miss June Whitt, who wore a powder blue suit and gray accessories, complemented by a corsage of hyacinths.

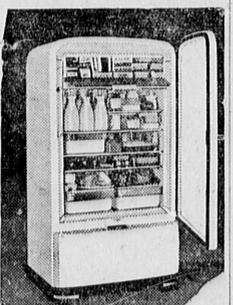

Warren Sturgeon attended the bridegroom as best man and Robert Littell ushered.

Mrs. Mounts was graduated from Torrance High School and her husband, a son of Mrs. Harriet Mounts of Santa Monica, received his diploma from Santa Monica high school.

A reception at the chapel immediately followed the ceremony. Subsequently the happy couple left for a honeymoon in San Diego. They will live in Torrance.

HOSPITAL PATIENT

REYNOLDS TROPHIES

Among Awards For Spring Flower Show

The Patricia Reynolds Perpetual Challenge Trophies which made their debut at the 1947 Southern California Spring Flower Show will again be outstanding among the major awards offered contestants in this year's event, according to G. Wyman Hope, manager. A memorial to the late Mrs. Reynolds who was a noted daffodil hybridist, two elaborate silver trophies are offered in a special competition class for the best flowering cymbidiums (orchid) and daffodils. The winners will retain them for one year and in addition will receive silver medals which they will keep permanently, Mr. Hope stated. Competition is open to all and entries will be accepted in this class until April 17, he said.

An additional Special Daffodil Schedule is slated for the floral event, containing 22 classes, and this group combined with cymbidium competition will carry the highest of the hundreds of cash awards offered show winners.

Southern interest in the Reynolds' trophies is evidenced by the largest entry list in the event's history, the Pasadena Flower Show Association, sponsor, announced this week.

BUILDING A NEW CAR

That car of tomorrow is not going to be radically different from the car of today. Many people seem to be under the impression that tremendous changes in automobile construction are right around the corner, but such will not be the case.
